Block Party Rules and Regulations

Definition:

A Block party is defined as a party that is open to all residents of the given streets that are to be closed, and specifically named on the Block Party application, and other invitees.

Time and Duration:

No block party can begin before 9:00 am and must conclude by 10:00 pm. The total duration may not exceed 6 hours.

Street Closure:

Street closures must be approved by the Police and Fire Departments, DPW and the Town Administrator. The Police Chief may require a private-duty police detail if it is determined to be necessary to public safety.

Saw Horses:

You may contact Paula Barry at the Highway Department (781) 545-8734 to make arrangements to pick up saw horses. They MUST be returned by the Monday following the Block Party.

Application:

An application form MUST be submitted to the Town Administrator/Board of Selectmen office. The Office has up to 30 days to approve the application. The application MUST include certification by the applicant that all residents of the block or streets to be closed have been notified and have no objection to the closure (The Town may, at its discretion, require a list of residents in the affected area along with signatures stating the same.)

Applicant/participants agree to comply with all laws and regulations of the Commonwealth and the Town of Scituate.
